

Alexey Gorbatovski

gorbatovski@itmo.ru · github.com/Myashka · Google Scholar
Research Scientist · 2 first-author A papers · LLM Alignment*

Experience

T-Bank – AI Research <i>Research Scientist, Alignment Team</i>	2024 – Present
Alignment Research	
<ul style="list-style-type: none">First author on TR-DPO – offline alignment method with dynamic reference model updates. ICLR’25.First author on Blur – analysis showing ranking is key component of DAA objectives. ICLR’25 Workshop.Second author on Steering LLM Reasoning – bias-only adaptation for reasoning. EMNLP’25.	
Infrastructure	
<ul style="list-style-type: none">Built multi-task RL training system on verl/atropos for online alignment experiments.	

Selected Publications

Learn Your Reference Model for Real Good Alignment <u>A. Gorbatovski</u> , B. Shaposhnikov, A. Malakhov, et al.	ICLR’25 Main Track
Steering LLM Reasoning Through Bias-Only Adaptation <u>V. Sinii</u> , <u>A. Gorbatovski</u> , A. Cherepanov, et al.	EMNLP’25 Main Track
The Differences Between Direct Alignment Algorithms are a Blur <u>A. Gorbatovski</u> , B. Shaposhnikov, V. Sinii, et al.	ICLR’25 Workshop
ESSA: Evolutionary Strategies for Scalable Alignment D. Korotyshova, ..., <u>A. Gorbatovski</u> , et al.	Under Review

Education

PhD in AI	2025 – 2029
MSc in Deep Learning , ITMO University	2023 – 2025
BSc in Applied Programming , ITMO University	2019 – 2023

Skills

Frameworks: verl, vLLM, SGLang, DeepSpeed, FSDP, Accelerate, Ray, Docker
